## for Hydro One Remotes Customer Advisory Board

Are you interested to learn more about how Hydro One Remotes provides electricity to your community, and want to help us improve our service?

- ✓ As a Customer Advisory Member, you will learn about our business and will help us understand what matters to your community members on topics such as billing, energy savings, conservation, communications, and more.
- ✓ There will be a **monthly email question** on our services for you to respond to.

  You must have an email address that you use and check every few days.
- ✓ If you are selected to be a Customer Advisory Board member, you will attend an <u>all-paid</u> **ANNUAL MEETING in Thunder Bay the first Thursday of AUGUST** to offer your perspective on issues such as training, policies and programs. *This meeting is mandatory, so please check your schedule before applying.*
- ✓ The CAB has 8 Members in total, each for maximum 3-year term.
- ✓ There are 27 (and growing) Hydro One Communities, and we make sure there is fair representation, with no more than one board member per community. We strive to give first priority to applications from communities that have never had representation on the CAB.
- ✓ We are looking for a range of ideas, experiences and backgrounds from residential and commercial customers.
- ✓ All Board Members are to be in a non-elected role in their community (can't apply if on band council).
- ✓ There will be an honorarium paid for your time working with the Customer Advisory Board (\$50/mo and \$200 for August all-paid meeting)

**TO APPLY:** Fill out this application and email to <a href="mailto:Gail.Murray@HydroOne.com">Gail.Murray@HydroOne.com</a>, or Fax to 807-475-8123 care of Gail Murray, Community Relations & Customer Program Coordinator. Call/text Gail at 807-627-9736 for more information. PLEASE FILL OUT THIS APPLICATION IN FULL
