

Congratulations 2025

Bursaries & Scholarships

for Indigenous Post-Secondary and Trade Students

Apply by August 1, 2025
indspire.ca/apply-now

Hydro One Indspire Awards

On June 25th, Hydro One awarded \$10,000 each to 10 Indigenous students in Ontario with the Honourable Justice Leonard S. Mandamin Award.

Justice Mandamin, from the Wikwemikong Unceded Territory on Manitoulin Island, is one of the first electrical engineering graduates of First Nation ancestry in Ontario.

The next deadline for Indspire scholarships is August 1st - apply here:

Hug your Local Operator & Meter Reader

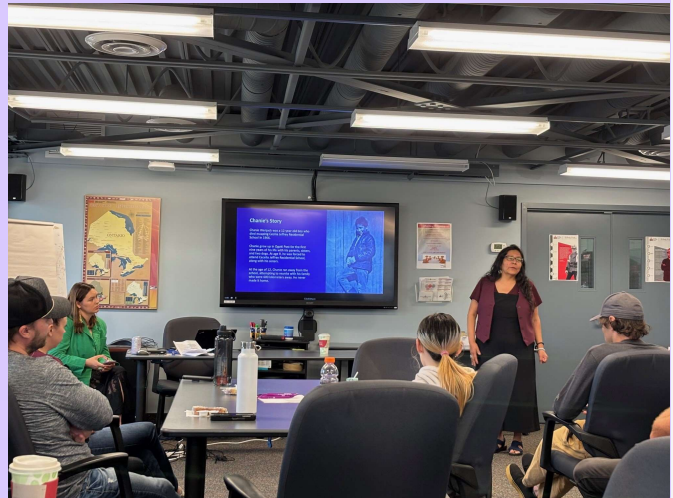

***Email a selfie with one of them
along with your address to
RemotesCare@HydroOne.com &
be entered for a chance to win a
Keurig Coffee machine!***

During the month of July, we are giving special appreciation our local Operators and Meter Readers for all of the hard work they do in your community. They are the “eyes and ears” of Hydro One Remotes who work year-round in all types of weather to help ensure the power stays on and that your bills are accurate.

In June, during National Indigenous History Month, the Downie-Wenjack Fund (DWF) presented an indigenous cultural awareness event for Hydro One staff in Thunder Bay as part of its partnership with Hydro One.

The organization aims to build cultural understanding and create a path toward reconciliation between Indigenous and non-Indigenous peoples.

About the Gord Downie & Chanie Wenjack Fund - Video

Staff heard educator Harriet Visitor, member of Marten Falls First Nation and niece of Chanie Wenjack, give a wonderful presentation alongside Quinn Roffey-Antoine from DWF.

Congratulations Garry Sugarhead on completing the Ottawa Marathon!

Hydro One Remotes offered a small sponsorship last month to assist Garry in his latest running feat - amazing!! You are an inspiration, Garry.

If your community has an event coming up you would like a small sponsorship for, visit: [Hydro One Remote Communities Inc. - Sponsorship](#)

TIP OF THE MONTH

SWITCH TO PAPERLESS BILLING

Avoid billing interruptions by switching to

you can, like crock-pots, toaster ovens and microwaves.

- Consider heading outdoors and use the BBQ.
- When the weather is really getting warm, close curtains and blinds during the day to block the sun from heating up your home.
- Create a cross-breeze by opening windows on opposite sides of your home.
- Consider installing a ceiling fan.
- At night, open all the windows to let cool air inside.
