

Sponsorship Application

Hydro One Remotes

Hydro One Remotes' mission is to supply safe, reliable and affordable electricity to remote communities by focusing on continuous improvement, operational excellence and outstanding customer service. One of the ways Hydro One Remotes demonstrates the value and importance of our relationship with our communities is through our corporate sponsorship program. We invite you, your community members and organizations to apply to this program. Approved sponsorships are generally \$200-\$600.

Criteria for Sponsorship:

- ✓ From a Hydro One Remotes Community / Community member / Organization
- ✓ Delivering a community program, project, event or activity
- ✓ Focus on culture, education, environment, safety, health, youth, and elders
- ✓ Agree to email us a photo with a short description that we may use online of your event!

Note that we **do not**:

- X support individuals or religious organizations for sacred or sectarian purposes
- X make political or charitable donations

To apply, please email (preferred) or fax this completed application or send us a letter describing your event:
